## *Christ is Counting on You*

November 2016  
Volume MMXXX, Issue 2

“Joy  
is the  
ECHO  
of  
GOD’S LIFE  
in Us.”

Mission: ECHO (Encountering Christ in Others) of Cape Cod is a Catholic, community-based experience initiated by a weekend retreat, focused on the living presence of Jesus Christ encountered in others and self. The ECHO program is directed toward the awakening and the development of a response to the three basic areas of Identity (Who am I?), Integrity (Where am I?), and Vocation (Where am I going?) as they are emerging in the lives of young people.

### TOMORROW NEVER COMES - ZAC BROWN BAND

I've been climbing my way through the sky  
Searching for answers that I'll never find  
Losing my breath as I fall  
Learning to fly, letting go of it all  
Learning to fly, letting go of it all

I've been trying to open my eyes  
Take it all in as the world passes by  
Getting lost in the twists and the turns  
Finding these questions inside me still burn  
Finding these questions inside me still burn

*I'm gonna live like tomorrow never comes  
There's no end in sight, tonight we black out the sun  
Better hold on tight, before you know it's gone  
And live like tomorrow never comes*

I keep looking for some kind of sign  
Trying to hold on in this race against time  
I can't say where the next bend might be  
That is the beauty in life's mystery  
That is the beauty in life's mystery

(Refrain)

## ECHO 305

Eleven young ladies experienced the joy that was ECHO 305. The ECHO community proved they're "never gonna let you down," as the theme song stated, all weekend long showering them with various forms of palanca and prayer. Please welcome these women to the community at reunions in the coming weeks.

## PRAYERS

Many years ago the custom began of designating each Tuesday as ECHO Prayer Day to serve as a special reminder to all of us to pray for each other and the ECHO program. If you would like to request prayers for anyone, feel free to send a prayer request to the ECHO community by e-mailing [echocapecod@yahoo.com](mailto:echocapecod@yahoo.com).

We ask prayers for: Annemarie Souza, Linda Chapman, James Kelley, Liam O'Keefe-Hoeck. and Dorothy Parsons. For Matthew Laird and Bill O'Donnell as they prepare for the priesthood, Keith Caldwell as he prepares for the diaconate, Andrew Harmon as he studies for his Masters in Belgium, everyone affected by Hurricane Matthew, especially our friends in Haiti, Heath Eldredge as he prepares for ECHO 306, Cathy Carpenter as she discerns for ECHO 307, and lastly anyone who has no one to pray for them.
